The times and the rinks for the games on Saturday maybe subject to change. This maybe in the interest of the competitors/ competitions or organiser. Any changes made by the committee will be agreed by those concerned and will be final.
(Due to the duplications, I am sorry some of you will have to play straight away in the next session.)

Congratulations to all players on reaching the final stages of these competitions

Would all players arrive at least 30 minutes prior to their game starting to collect their stickers. Dress code is whites, White tops or club shirts. In the mixed events all players must wear the same club shirt or white tops.

THANKS

Are expressed to all sponsors of the various competitions and the Suffolk County Main Sponsor "Calor".

Thanks also to the umpires and markers who have given up their time so generously for these indoor competitions.

Once again on behalf of Suffolk County Bowls Men & Women can I thank Ipswich & District for the use over the weekend of their indoor green and facilities.

The caterers will be on hand during the day with food if you require it.

During the weekend we will be running a raffle, any form of a draw prize would be appreciated, this helps keep the cost down for the running of the weekend.

Enjoy the weekend everyone and thanks for your support.

**Kim Dyer
Suffolk County Men's Match Secretary**
